**RE: Global Crossing Telecommunications Inc.
Tariff Revision - SCPSC Tariff No. 1 - Telephone**

Dear Ms. Boyd:

Enclosed for filing please find the original of the above referenced tariff filing submitted on behalf of Global Crossing Telecommunications Inc. ("GCTI"). The purpose of this filing is to remove all references related to travel and calling card products. GCTI plans to discontinue this service on or about December 31, 2011. A copy of the customer notice is attached.

The Company respectfully requests an effective date for this filing of December 31, 2011.

Please acknowledge receipt of this filing by date-stamping the extra copy of this cover letter and returning it to me in the self-addressed, stamped envelope provided for that purpose. Questions regarding this filing should be directed to my attention at 407-740-3004 or via email to rnorton@tminc.com. Thank you for your assistance in this matter.

Sincerely,

for Robin Norton
Consultant to Global Crossing Telecommunications Inc.

Dear Valued Customer:

Global Crossing Telecommunications, Inc., located at 225 Kenneth Drive, Rochester, NY 14623, is planning to discontinue its calling-card services throughout the United States on or around December 31, 2011. The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments as soon as possible, but no later than 15 days after the Commission releases public notice of the proposed discontinuance. Address them to the Federal Communications Commission, Wireline Competition Bureau, Competition Policy Division, Washington, DC 20554, and include in your comments a reference to the § 63.71 Application of Global Crossing Telecommunications, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service. If you have any questions about this planned discontinuance, please contact your account manager or call us toll free at 800-466-4600.

3.2 Metered Use Service, (Cont'd)3.2.1 Service Options, (Cont'd)

3.2.1.E ALLNET CALL HOME AMERICA

Allnet Call Home America is an inward switched access service offered only in conjunction with Global's interstate Call Home America service, wherein customers are billed via their credit card, only, for intrastate and interstate calls that originate at stations in different service areas and terminate to the customers' Call Home America station. Call Home America permits billing to the called party, rather than the call originators. Charges for Call Home America are based on length of call, and time of day. The customer's total monthly use of Call Home America is charged at the applicable rates per minute set forth in Section 4.2.14. Calls are billed in one minute increments, with a one minute minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

SECTION 3 - DESCRIPTION OF SERVICE, (Cont'd)3.2 Metered Use Service, (Cont'd)3.2.1 Service Options, (Cont'd)

3.2.1.G ALLNET PACESETTER

Allnet Pacesetter service is a one-way, multipoint service, designed for subscribers with large amounts of daytime usage Monday through Friday. Pacesetter customers may originate calls by dialing 1 plus an area code and the desired telephone number or by dialing 10XXX then an area code and the desired number. The rates for this service are contained in Section 4.2.7 and are based on the length of call, time of day and the originating and terminating locations of each call. Calls are billed in one minute increments with a one minute minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

3.2.1.H CALLNET 1+

CallNet 1+ is an outbound switched access service offered only in conjunction with Global's interstate CallNet 1+ service wherein customers are billed primarily via their credit card. CallNet 1+ customers may originate intrastate calls by dialing 1 plus an area code and the desired telephone number, or by dialing 10XXX and then the area code and the desired telephone number. CallNet 1+ calls are based on length of call, and time of day. The customer's total monthly use of CallNet 1+ service is charged at the applicable rates per minute set forth in Section 4.2.9. Calls are billed in six second increments, with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Customers must be presubscribed to CallNet 1+ service in order to receive The CallNet Calling Card. Calls made to directory assistance telephone numbers are charged on a per call basis.

SECTION 3 - DESCRIPTION OF SERVICE, (Cont'd)

3.2 Metered Use Service, (Cont'd)3.2.1 Service Options, (Cont'd)

3.2.1.L ALLNET SOLUTION (Cont'd)

calls may be originated by dialing 1 plus an area code and the desired number; or 10444 plus the area code and telephone number.

Charges for Solution I, II, III, IV, and Residential Solution as well as Solution 800 are assessed on a per minute basis based on duration of the call, and time of day of each inbound and outbound call.

The customer's total monthly use of the Allnet Solution I, II, III, IV, Residential Solution and associated 800 is charged at the applicable rates per minute set forth in Section 4.2.17. Solution II, III, IV and Residential Solution outbound and inbound (via associated Solution 800) calls are billed in six second increments. Solution II, III and Residential Solution have a 30 second minimum for each call. Solution I outbound and inbound (via associated Solution 800) calls are billed in six second increments, with a 6 second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Solution 800 is available only as an add on to Solution I, II, III, IV and Residential Solution features and is not available as a stand alone feature. Solution 800 inbound calls associated with Solution I, II, III or IV outbound features are charged the same rate per minute as the Solution outbound feature purchased by the customer as set forth in Section 4.2.17. For example, inbound (Solution 800) calls terminating on a line that originates Solution II calls are charged at the Solution II rates; inbound (Solution 800) calls terminating on a line that originates Solution III calls are charged at the Solution III rates.

3.2.1.N Allnet Edge

Allnet Edge 1+ is a two-way switched access service offered only in conjunction with Global's interstate Edge service. Allnet Edge provides customers with mileage based per minute rates for both their inbound (800) and outbound (1+) usage. Allnet Edge customers may originate outbound intrastate calls by dialing 1 plus an area code and the desired telephone number, or by dialing 10XXX and then the area code and the desired telephone number. Inbound calls are originated to the Allnet Edge customer's designated location by users dialing 1+ the Allnet Edge customer's 800 telephone number. Allnet Edge calls are based on length of call, the distance between the originating and terminating locations of each call, and time of day. The customer's total monthly use of Allnet Edge service is charged at the applicable rates per minute set forth in Section 4.2.10 of the tariff. Calls are billed in six second increments, with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment.

(D)
|
(D)

Allnet Edge customers will receive the following discount credits on qualifying usage: 1) a discount credit of 10% will be applied to all outbound Allnet Edge calls made to a single area code with highest total domestic usage during a billing cycle; and 2) a discount credit of 10% will be applied to all outbound Allnet Edge calls between telephone numbers (ANIs) on the same Global account.

3.2.1.O Allnet HomeSaver

Allnet HomeSaver is a two-way switched access service offered only in conjunction with Global's interstate HomeSaver service, wherein customers are provided with both inbound (800) and outbound (1+) service. HomeSaver customers may be billed directly, or via their credit card for intrastate and interstate calls that terminate to the customer's HomeSaver station, and are billed to the called party rather than the call originators. HomeSaver customers may originate intrastate calls by dialing 1 plus an area code and the desired telephone number, or by dialing 10XXX and then the area code and the desired telephone number. The customer's total monthly use of Allnet HomeSaver is charged at the applicable service hours in Section 4.1.3, and rates per minute set forth in Section 4.2.11 of the tariff. Calls are rated based upon the length of call and time of day. HomeSaver outbound calls are billed in one minute increments with a one minute minimum per call. HomeSaver inbound (800) calls are billed in six second increments with a one minute minimum per call. Any fraction of an increment is rounded up to the next whole increment.

3.2.1.Q ALLNET PRODUCT ONE

Allnet Product One is a long distance service which provides customers with single per minute rates for both their inbound (800) and outbound (1+) usage. Allnet Product One customers may originate outbound calls by dialing 1 plus an area code and the desired telephone number. Inbound calls are originated to the Product One customer's designated location by users dialing 1 plus the PRODUCT ONE customer's 800 telephone number. Allnet Product One calls are based on the length of the call and the time of day.

The customer's Allnet Product One service is charged at the applicable hours in Section 4.1.9 and rates per minute set forth in Section 4.2.15 based on the Product One product option selected. Allnet Product One customers switched 1+ and 800 calls are billed in six second increments, with a thirty second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Allnet Product One dedicated access 1+ and 800 calls are billed in six second increments, with an eighteen second minimum for each call.

Allnet Product One customers may subscribe to one of seven (7) mutually exclusive Product One service options: Product One month-to-month (MTM); Product One Term Plan I, Term Plan II or Term Plan III, Term Plan IV, Term Plan V, or Term Plan VI. For each Product One Term plan option, a Product One customer must commit to either a one year (12 month), two year (24 month) or three year (36 month) term agreement. Product One customers electing either a two or three year term plan agreement will receive one of the applicable per minute discount off of the base one year term plan rates. The applicable per minute discounts are set forth in Section 4.2.15. Product One customers may elect either a switched or dedicated access option (or both) for Term Plans III, IV, V or VI. Term Plans II, V and VI may use switched access only in conjunction with a dedicated access option. The MTM option is only available on a switched access basis. Product One customers electing a dedicated access option will be billed by their local exchange carrier or alternative provider for all monthly and non-recurring charges associated with the dedicated access facilities required to access Global.

The customer's total monthly use of Allnet Dimension (switched and dedicated) service is charged at the applicable rates per minute set forth in Section 4.2.23, and hours as set forth in Section 4.1.15. Allnet Dimension switched and dedicated calls are billed in six second increments, with an eighteen second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. There is a monthly minimum usage charge (MMUC) associated with Dimension service. Beginning with the customers' second invoice, and for the remaining months of any term plan commitment, the customer will be charged the difference between the gross account usage and the MMUC if the gross account usage is less than the MMUC. There are incremental volume discount credits applicable to Allnet Dimension service as set forth on Sheet PL-10.4. In addition, Dimension customers who commit to a service term may receive additional discount credits as set forth on Sheet PL-10.4 based on their monthly usage level.

(T)

(T)

(T)

Allnet Dimension customers will also receive a discount credit of 15% will be applied to all outbound Allnet Dimension calls made to a single area code with the highest total domestic usage during a billing cycle.

Calls made to directory assistance telephone numbers are charged on a per call basis.

3.2.1.AA Frontier Independence

Frontier Independence is a long distance service which provides customers with a single per minute rate for both their inbound (8XX) and outbound (1+) usage. Independence customers may originate outbound calls by dialing 1 plus an area code and the desired telephone number. Inbound calls are originated to the Independence customer's designated location by users dialing 1 plus the Independence customer's 8XX telephone number.

Independence service is a flat rated, non-distance sensitive switched service, twenty four (24) hours a day, seven (7) days a week, including Carrier recognized holidays. The applicable per minute rates are set forth in Section 4.2.27 following, and are based on the Independence product plan selected. Independence switched 1 plus and 8XX calls are billed in six second increments, with an eighteen second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Frontier Independence Dedicated Access 1 plus and 8XX calls are billed in six second increments, with a six second minimum for each call. Any fraction of an increment is rounded up to the next whole increment. Independence customers who make long distance calls through Access are billed in six second increments, with a thirty second minimum for each call, at the per minute rates set forth in Section D following. Switched Access Independence service option customers may subscribe to the service on a month-to-month basis or, subscribe to one of five service plans. In each of the five plans the customer must commit to either a one year (12 month), two year (24 month), or three year (36 month) term agreement. Customers electing to subscribe to one of the five plans will receive one of the applicable per minute discount rates off the one year base rate. The applicable discounts are set forth in Section D following. Subscribers to Independence Dedicated Access service must commit to either a one year (12 month), two year (24 month) or three year (36 month) term agreement. Applicable per minute rates for Independence Dedicated Access service are set forth in Section 4.2.27 following.

3.2.1.AE Frontier Voice Virtual Private Network, (Cont'd)

Customers may subscribe to Frontier Voice VPN on one, two or three year term plan and may select from 4 monthly minimum usage levels (MMUL). Beginning with the Customers' fourth invoice, and for the remaining months of any term plan commitment, the Customer will be charged the difference between the gross account usage and the MMUL if the gross account usage is less than the MMUL. Term Plan Customers are eligible to receive tariffed volume discounts set forth in Section 4.2.31 each month based on its VPN MMUL commitment.

Voice VPN Term Plan Customers whose monthly gross account usage exceeds the next higher MMUL above the level to which the subscriber has committed will receive the discount applicable to the next higher MMUL. Discounts on all monthly gross account usage will be capped at the discount level applicable to the next higher MMUL. Volume discounts are calculated off the Frontier Voice VPN Month-to-Month rates in effect when calls are made. The discounts apply to VPN usage (outbound and remote access) only and do not apply to non-recurring or monthly recurring charges, operator/directory assistance, international and value added service usage. Volume discounts are not available to Customers subscribing to Frontier Voice VPN Month-to-Month service. In addition, Frontier Voice VPN customers who commit to a service term may receive additional discount credits as set forth in Section 4.2.31 following. Term plan options will automatically renew for successive periods of one year unless the Customer notifies the Company in writing before the end of their current term that the Customer intends to terminate the agreement at the completion of the term. The Company will notify the term plan customer at least 60 days prior to the end of the current term that the end of their current term is approaching. Customers choosing not to renew their term plan option will be assessed the Frontier Voice VPN Month-to-Month tariff rate currently in effect. A termination fee, equal to the MMUL of the term plan that the Frontier Voice VPN customer is subscribing, times the number of months remaining in the current term will be assessed to customers terminating service prior to the completion of their current term of service.

(T)

The Customer is responsible for any Company and local service provider monthly recurring charges for dedicated circuits/loops necessary for the service, and costs incurred by the Company, including installation and local service provider contract termination charges, if such circuits/loops are canceled prior to activation of service, or the completion of the term commitment made by the Customer.

3.2.1.AF ULTIMATE 800

ULTIMATE 800 is a two-way switched access service completing calls to a Carrier-assigned toll free telephone number. Inbound calls are originated by dialing a toll free number which terminates at a ULTIMATE 800 Customer's common line (i.e business or residential line), provided a valid personal identification routing number ("PIRN") is entered by the call originator. The ULTIMATE 800 Customer is billed for both the inbound and outbound calls.

The ULTIMATE 800 Customer may request any combination of four digit PIRNs for their inbound ULTIMATE 800 service. Only one dial tone PIRN is allowed per ULTIMATE 800 Customer. The dial tone PIRN cannot have more than two repeating digits and, cannot have more than two consecutive digits. The dial tone PIRN cannot match the last four digits of the Customers toll free number.

(T)
|
(T)

ULTIMATE 800 service is a flat rated, non-distance sensitive, usage based switched service, twenty four (24) hours a day, seven days a week.

The Customer's total monthly use for ULTIMATE 800 is charged at the applicable per minute rates set forth in Section 4.2.32. Calls are billed in one minute increments with a one minute minimum for each call. Any fraction of an increment is rounded up to the next whole increment.
